

Report of the Library Building Committee.

To the Citizens of the Town of Wayland:

Your committee respectfully submits the following report:

Your committee, with the assistance of Prof. Chandler, held an architectural competition for plans for the library building, and decided in favor of Cabot, Everett & Mead, whose plans offered the best solution of the problems presented to your committee.

Proposals were submitted by numerous responsible contractors, and your committee awarded the entire contract to the lowest bidder, Fales & Co., of South Framingham, Mass.

The work on the building has proceeded satisfactorily, excepting an unavoidable delay caused by the assignment of Fales & Co., for the benefit of their creditors. However, your committee is assured by the assignee that the contract will be speedily and properly completed.

The town's interests in the building are thoroughly protected. Twenty per cent. of the money due Fales & Company has been withheld, and the Fidelity and Deposit Company of Maryland is surety on their bond of ten thousand dollars to ensure the performance of their contract.

Respectfully submitted,

WILLARD A. BULLARD,
E. W. MARSTON,
C. B. WILLIAMS,
ALFRED W. CUTTING,
CHARLES F. RICHARDSON.
